LOOKING FOR A PROFESSIONAL PLUMBER IN LOS ANGELES?

We Get it Done Right—The First Time, Every Time!
 At Universal Plumbing, we don't just promise quality—we deliver it. Since 2008, we've built a reputation for top-notch workmanship and exceptional customer service. With over 30 years of industry experience and more than 30,000 successful residential and commercial jobs under our belt, our expert team knows how to fix what others can't. Whether it's a minor repair or a complex issue, our seasoned Los Angeles plumbers quickly diagnose and resolve your plumbing problems with precision. When you choose us, you choose peace of mind.

Affordable Service to Meet Your Plumbing Needs
 At Universal Plumbing, we believe quality service shouldn't break the bank. That's why we offer flexible financing options—allowing you to spread the cost over time instead of paying in one lump sum. Whether you're facing a plumbing emergency or a major project, we've got you covered. Enjoy free estimates and complimentary camera inspections with any drain or sewer clearing services. Need a repair or replacement? We'll provide you with options tailored to your needs. Plus, as a thank you, we proudly offer a 10% discount to military personnel and senior citizens.

PROFESSIONAL PLUMBING SERVICES

WHAT OUR CUSTOMERS ARE SAYING!

“My garbage disposal has been broken for over a year but recently I've noticed fruit flies coming out of there. I called Universal on a Saturday and was able to make an appointment. Sergio came less than an hour later and fixed the problem in 15 minutes.”

CARA

facebook Reviews

I called Universal Plumbing Company for an issue at one of my properties. They showed up on time, were very professional, and delivered services at great prices. Their customer service was A+ and I will use them again with confidence. Thank you!

NARBEB

Google Reviews

If you are looking for plumbing services in the Los Angeles area -- look no further. These guys were excellent! They were efficient, friendly and knowledgeable. We will definitely be using them for any future issues.
